- Represent the Camillus Figure Skating Club at local, regional, sectional and national events
- Coverage under U.S. Figure Skating's sports accident insurance policy
- Ice usage at the Shove Park Rink from October through March
- Eligibility to participate in our annual show in March
- If a family has more than 1 skater in the same household (household is defined as living under the same roof) CFSC will offer discounts for each additional skater from the household.
- **Each household with a CFSC home club skater membership gets 1 vote at a meeting of the club membership. Parents/Guardians/In Loco Parentis (will also be considered upon appropriate documentation to the board) of a CFSC home club skater are entitled to hold office in the club and serve on standing committees of the club.**

- 2.) **CFSC Home Club Skater Membership with LTS USA weekly group lessons:** \$340 (includes USFSA Membership) (\*Multiple skater discount - \$235 for each additional member of the household)

**This category of membership includes everything in item 1 above (CFSC Home Club Skater Membership) plus weekly LTS group lessons. Members will participate in a group number during our annual show and costumes are included in the price.**

3.) **CFSC Parental Membership:** \$75 (includes USFSA membership)

A parent or guardian of a CFSC home club skater who is interested in occasional skating, but not more than 5 times per season. Parental members may not skate or make entry in the name of the club in any exhibition, competition or show. Each parental membership will be registered with USFSA. Parental Members are not entitled to cast a vote at a meeting of the club membership based solely on this membership. The level of open ice that the parent will be assigned to skate on (low open/high open) will depend on ability and determined by CFSC Board of Directors with parent and coach input.

4.) **CFSC Home Club Collegiate Membership:** \$90 (Includes USFSA membership)

A College Student Membership is available to CFSC home club members who are attending colleges/universities and are taking 12 credit hours per semester. This membership will include the USFSA Collegiate registration. The fee for this membership is subject to annual revision as the Board of Directors deem necessary. The collegiate member shall not be entitled to cast a vote at a meeting of the club membership or hold office.

5.) **LTS Membership:** \$300 (does not include USFSA membership)

This membership recognizes the relationship between the club and the LTS USA program and welcomes skaters for CFSC weekly group lessons who are not registered with USFSA as CFSC home club members. Members in this category have privileges to participate in CFSC LTS group lessons and skate on Thursday night ice. If a LTS member wishes to skate on any other CFSC open ice outside of Thursdays they need to pay a reduced walk on fee of \$10 per session. LTS Memberships are not eligible to hold office in the club or serve on a standing committee of the club. Further, LTS members shall not be entitled to cast a vote at the meetings of the club membership. LTS members will participate in a LTS group number at our annual show in March.

6.) **Associate Membership:** \$275 (does not include USFSA membership) + \$10 walk on fee per session

This membership is for skaters who wish to regularly skate at CFSC, but belong to another home club. Associate members will pay a \$275 fee up front and then \$10 per session to walk on. This membership allows skaters who skate multiple times a week to benefit from reduced season ice rates. Associate Memberships are not eligible to hold office in the club or serve on a standing committee of the club. Further, Associate members shall not be entitled to cast a vote at the meetings of the club membership. Associate members are not eligible to participate in our annual show in March unless vote on and invited by the Board of Directors. Any Board Member may make a request to the board to invite an Associate Member skate at the show.

7.) **Synchronized Team Membership:** \$115 (Includes USFSA membership)

This membership is for skaters who wish to only participate on a CFSC synchronized skating team. All skaters, in addition to paying the associated team fees, must be a member of the club. A synchronized

team membership does not entitle a skater to skate on any ice except their designated synchronized skating team ice. If they wish to skate on any open ice sessions they must pay a reduced walk on fee of \$10 per session. Synchronized Skating Memberships are not eligible to hold office in the club or serve on a standing committee of the club. Further, Synchronized Team members shall not be entitled to cast a vote at meetings of the club membership. Synchronized Team membership entitles the member to skate in a Synchronized team number at our annual show in March.

8.) **Professional Membership:** CFSC Home club \$140 (includes USFSA membership) Non CFSC home club \$75 (Does not include USFSA membership)

A professional membership is for any person who is a professional skater or skating instructor for the club (Staff or Guest Pro) who wishes to practice or take lessons on CFSC ice. Individuals who are professional skaters or skating instructors, but who do not practice that profession with CFSC are not eligible for this membership. Professional members are not eligible to hold office in the club, but can serve on a standing committee. Further, Professional members shall not be entitled to cast a vote at the meetings of the club membership unless CFSC is their designated home club. A professional membership also entitles a professional skater or skating instructor for the club to participate on a CFSC synchronized skating team. Professional members are eligible to participate in our annual show in March and may skate on unlimited high open/mixed ice sessions including summer ice sessions when available.

9.) **Coach Membership:** CFSC Home club \$65 (Includes USFSA membership)

This membership is for CFSC Staff or Guest Pro who wishes to join USFSA as a CFSC member. A Coach membership shall not be entitled to cast a vote at the meetings of the club membership. If a coach wishes to vote at the meetings of the club membership, then they need to take out a Professional Membership with CFSC designated as their home club. Coach Memberships are not entitled to hold office in the club but can serve on standing committees of the club. Coach members are eligible to participate in our annual show in March.

10.) **Board of Director Membership:** Free (Includes USFSA membership)

This membership is for CFSC Board members. Once a board member is elected their USFSA membership will be paid by CFSC as long as the board member remains active. Board Memberships are entitled to hold office in the club and serve on standing committees of the club. Further, Board members shall be entitled to cast a vote at the meetings of the club membership, but there is only 1 vote max per household at a voting of the membership.

11.) **Patron Membership:** \$500 (Includes USFSA membership)

This membership allows a person who wants to support figure skating to be part of a USFSA club. A Patron must belong to the club for one year before being eligible to vote or run for office.

**Regardless of the number of members of a household that have various CFSC memberships the maximum number of votes per household is 1.**

\*Multiple skater discount - initial household member must have membership type 1 or 2 for subsequent skaters to get the multiple skater per household rate.

- If you are not a Camillus Figure Skating Club Home Club member and would like to come to open skate our walk on rate is \$20 per session. CFSC reserves the right to limit the number of walk-ons per session to ensure the safety of all the skaters.

- Additional membership classifications may be added at the discretion of the Board of Directors if the need were to arise
